## FR VT SEBASTIAN SDB DIED ON 27th MARCH, 2010

Fr George Arul Jeganathan remembers and honors Fr VT Sebastian:

Fr. Celestin, Fr. Danabal and me had attended the funeral service of our former Rector in Madurai Campus, Fr. V.T. Sebastian SDB (1930-2010).

As you all know, he was loaned by us from the Salesian Family, since Fr. Thamburaju had to be relieved from this office due to his illness. He served us from 1994 till 1999 in our community.

From his vast experiences of administrating schools and parishes, he knew the knack of dealing the young seminarians those days. Although he is a brand 100% Salesian, he read our spirituality and tried to transmit it to us faithfully and accordingly.

His excellence stays in his own way of looking at the things spiritually and pastorally. He can be never defeated from his way of guest friendliness. His God and his Blessed mother were in great harmony with him, which was evident in his spiritual daily exercises, which we have to learn from him. If at all we want to praise him now... I think we should try to take something from him in to our lives.

He was a *good priest and a model of priesthood*. Many people have seen him, and became priests. Let us be thankful for his being among us.

Dear Father VT! We thank you for everything. I think now you will be seeing God face to face. Remember us too!

We miss you!

➤ May the gentle soul of Fr Sebastian rest in peace!
